MESSAGE FROM BROTHER PATRICK

Greetings and best wishes from Hong Kong to the participants at the La Salle College Old Boys Association – 2010 Global Reunion being held in San Francisco.

Planet Earth may now be seen as a global village but organizing a large global function is by no means a simple village task. I am sure the participants will join me in a hearty chorus of congratulations and thanks to all the organizers of, and contributors to, this Reunion.

Bringing people together in a spirit of brotherhood and sisterhood is a virtue in itself. A true Lasallian gathering contributes to the well-being and peace of the world. May your Reunion add bountifully to that store. It will then have served as yet another fine example of the third vital element in our traditional Lasallian spirit of Faith, Service and Community.

Our overseas chapters are a source of pride and joy to their alma mater. We know how attached you are to the school, how eager you are to keep up with the latest news. Your passion encourages us to work hard for the school and our students, to ensure that our “something more” is not an idle boast but a living, ongoing reality. Thank you for welcoming and mentoring newcomers into your midst and for your love and loyalty to your school.

St John Baptist de La Salle, pray for us.
Live Jesus in our Hearts. Forever!

MESSAGE FROM BROTHER THOMAS

Dear Old Boys and friends,

Warm and hearty greetings to you all as you gather for our Lasallian version of the World Cup! I'm sure the rivalry between the Chapters on the playing field will more than match anything being seen from South Africa. George was so kind to invite me to join your reunion this year and I am very grateful. I have great memories of being with you in Toronto, Edmonton and Southern Cal. Initially I said a resounding yes to going to San Francisco and looked forward to it very much. But at the same time I was aware that another kind of reunion was on the horizon for me and feared that there might be a clash. This year, 2010, marks the Golden Jubilee of my First Vows as a Brother which I made in Ireland in 1960. We have a long tradition of Brothers of the same group coming together to mark this kind of event. I just prayed it would not be on the first weekend of July but, Murphy's Law, this is exactly what is happening! It's a pity but as this type of Brothers jubilee/reunion happens only once in a life time it is important for me to be there. Oh for the gift of bilocation! I will of course be very much with you in spirit and wish you a most enjoyable and exciting reunion.

As Old Boys I am sure you try to keep up with news from the Old School. The most exciting and perhaps unexpected news recently is that a Brother is to return as Principal on 1st September. He is Bro. Stephen Hogan from New Zealand and we are grateful to the Brothers of Australia/New Zealand Province for making him available to serve in La Salle. I am sure you will want to give him and all the staff your full support and blessing as a new era opens up for our beloved school.

I would like to join you in saying a very big thank you to George and the San Francisco Chapter for all the hard work they have put into hosting this reunion. May the good Lord bless all our Old Boys and give you hearts to conquer every ill wherever you may meet them and the courage to be something more wherever life may take you. Long live La Salle!

BROTHER THOMAS LAVIN

MESSAGE FROM LA SALLE COLLEGE PRINCIPAL MR. WONG YEN KIT

Dear Old Boys,

I am delighted to hear the LSCOBA Global Reunion will be held in San Francisco during July 1-4, 2010. It is really heartwarming to know Old Boys who have emigrated to different places in the world still remember their alma mater and always pay close attention to school matters. It proves that once a Lasallian always a Lasallian and that La Salle College is still close to your hearts. For many of you, I am sure the school is already part of your roots, a position enjoyed similarly by your family and close friends. It is this spirit that we have kept alive and the pride we all have in our school that may lead us from strength to strength.

We treasure the relationship with our Old Boys wherever they may be. I hope you all can continue to support the school in whatever way possible.

Thank you very much for inviting me to join in your happy occasion. Unfortunately, this is a busy time at school and I cannot get away. I hope all of you enjoy your time together.

I am very lucky to have had the chance to serve La Salle College and have become acquainted with many dedicated Old Boys. Having served the school for 34 years, I am coming to the year of my retirement. I am confident that the school will be in good hands under Brother Steve.

May God Bless you all,
WONG YEN KIT

LSCOBA Global Reunion in San Francisco 2010**

The La Salle College Old Boys Association (LSCOBA) Global Reunion in San Francisco offers the Old Boys around the world an excellent opportunity to bond, to catch up and to strengthen the brotherhood.

The Global Reunion dates back to 2002. Starting off as a friendly soccer match of the Old Boys in different parts of California, the Global Reunion has evolved into a bi-annual event for Old Boys from around the world to gather to share the journey we have travelled together, and to build an even stronger alliance within the La Salle family.

As our school song goes, "We are sons of La Salle everyone, and no matter where we go...". Indeed, no matter where we go and how far apart we are physically, the spiritual bond among the Old Boys remains solid. Bonded we are, not just by the experience that we share, but also the values that we have gathered in the process.

The Global Reunion provides the Old Boys with a unique opportunity to recall the fond memories of the good old days. Old Boys coming from different generations, different parts of the world and different walks of life will come together, meeting each other like old friends.

The Global Reunion this year will be held in the scenic San Francisco Bay Area. It will be an action-packed event and I am sure it will be full of joy and laughter. I wish to express my heartfelt gratitude to the LSCOBA San Francisco Bay Area Chapter for all their hard work in organizing this event.

I will not be able to join you on this occasion owing to work commitments, but I do wish you all most enjoyable La Salle time in the Global Reunion this year.

Best wishes,

MESSAGE FROM LSCOBA SAN FRANCISCO BAY AREA CHAPTER PRESIDENT EPHREM FUNG

Dear fellow Old Boys, families, and guests,

Welcome to the LSCOBA 2010 Global Reunion. It seems not too long ago that we met at the last reunion hosted by our New York Chapter in 2008. How time flies when you are having fun! We hope you will have an enjoyable experience during this weekend's stay in the beautiful San Francisco Bay Area with the program and the hospitality we have prepared for you.

The main goal of the Global Reunion is to form a true Lasallian gathering that would bring together Old Boys far and near together to put forth our help to current students and our Mother School. Therefore, I urge everyone to come join in the Global Conference to help build the network and to get involved in the effort defined and guided by the Global Alliance. We need everyone's participation to make this a success.

Finally I would like to take this opportunity to thank all the members of the Reunion operations team for their dedication and tireless effort. This event would not be possible without their hard work. I also would like to thank all the participants to make this event an enjoyable and rewarding one. May the spirit of La Salle be with you always.

Sincerely yours,

Dear Fellow LaSallians,

It gives me great honour and pleasure in joining the San Francisco Bay Area Chapter in welcoming you, your families and guests to the 2010 LSCOPA Global Reunion.

This biennial event first came into being in July 2002 when Brother Thomas Lavin was on a trip visiting Los Angeles and Vancouver. The Southern California Chapter invited the S.F. Bay Area Chapter to a friendly soccer match which was followed by a dinner gathering as the first formal inter-chapter activity in North America. The Bay Area Chapter returned the favour and invited the South Cal counterparts to their city a few months later for a return match, joined this time also by the Vancouver Chapter. The competition came to be known as the first "La Salle Old Boys Brother Thomas's Cup", later to be renamed the "North-American Cup". The rest, as they say, is history.

On a personal note, coming to California is also a befitting reunion of sorts for me as I spent more than eight years during the late 70s and a good part of the 80s, firstly in South California, then in Berkeley before ending up working in San Francisco. I have fond memories of my days in the Bay Area especially the informal gatherings of Old Boys on weekends which very well could have laid the foundation for better things to come...!

I congratulate the host chapter for their excellent preparatory and organizational works in bringing and staging this year's Global Reunion in the picturesque Bay Area which I have no doubt would be a huge success to be enjoyed and remembered by all participants.

Yours in de La Salle,

GREETINGS FROM THE MAYOR OF SAN FRANCISCO

On behalf of the City and County of San Francisco, it is with great pleasure that I welcome you to the La Salle College Old Boys Association 2010 Global Reunion in San Francisco from July 1 to 4, 2010.

La Salle College is one of the oldest and most prestigious schools in Hong Kong with continued excellence in athletics and academic achievements. Alumni of this school all over the world have enjoyed remarkable success because of La Salle College's excellence in education, and continue to celebrate this success with large alumni chapters in the United States East Coast, Edmonton, Canada, London, United Kingdom, San Francisco Bay Area, Shanghai, China, Singapore, Southern California, Toronto and Vancouver, Canada.

San Francisco has always been more than a place. San Francisco is an idea – the idea that diversity builds a stronger society, that tolerance advances democracy, that compassion is essential for a better world. Welcome to San Francisco, a small city that dares big, bound only by our capacity to imagine. We know you will indeed leave your heart here.

With warmest regards,

WELCOME TO THE GLOBAL REUNION WEEKEND

Dear LaSallians,

Welcome to the San Francisco Bay Area!

Global Reunion truly demonstrates the La Salle spirit of something more. La Salle is the only Hong Kong school that has an ongoing worldwide gathering outside its roots. The Global Reunion originated in San Francisco Bay Area in 2002 and after six other host cities, we are excited to have the opportunity again to promote our tradition. We are glad you're part of this.

We are honored and excited to have our LaSallians friends all over the world join us for a weekend of conference, soccer and golf games, tours and most importantly, our reunion dinner. We designed each of these events to give ample opportunities for LaSallians to mingle with friends and their families, and to chat about ideas that'll make La Salle College something more at social and professional level. Reminisce our championships with our guest of honor, our legendary Sports Master Mr. Cheung Ting Por. We promise that this reunion will be a fun and memorable event for all of you.

It is a great pleasure to be able to once again meet up with Old Boys from around the world to share the latest and reminisce the wonderful years at LSC.

The Global Reunion has grown tremendous over the past few years into a forum where Old Boys can work together to strategize and plan actions for the Global Network to provide support to fellow Lasallian around the globe. We look forward to the opportunity to participate in these sessions where we can help to keep the torch ablaze and the Lasallian spirit flowing to every corner of the earth for generations to come.

We are sons of La Salle everyone,
And no matter where we go,
High aloft her flag we will hold,
And strive that her fame may grow.

合唱

有幸做好喇沙書院友
重遇我往昔同窗
不管天陰天晴日
我地齊聲將此曲唱

There are famous schools in plenty,
With their heroes by the score,
And they flourish high and mighty,
But La Salle is something more.

云云教壇書堂精舍
各有當世好印象
唯從有成英雄榜看
母校突出人共仰

From her lofty station pointing,
To the sky's majestic dome,
She would have us ever minding,
That above is our true home.

抬頭向長空求指引
放眼高闊天際望
昂昂志朝彩雲深處
與母校青雲共上

Come whatever kind of weather,
Come the stormy days along,
When the Old Boys get together,
They will always sing this song.

同門友誼因時俱進
當天歡笑不變樣
良朋滿堂欣然相對
母校校歌來合唱
